## September 13 information night!

### WHAT IS DESTINATION IMAGINATION?

- Hands-on program, giving students experience in areas like Science, Engineering, Performing Arts and more.
- Team-based competition, where students solve one of seven open ended challenges and present their solution at a local competition.
- Volunteer-led, educational non-profit, founded in 1982 with 150,000 annual participants, and 1.5 million alumni.

### WHY DO DESTINATION IMAGINATION?

- Develop critical thinking and creative problem solving skills through a challenging and fun process that KIDS ABSOLUTELY LOVE!
- Boost curiosity and confidence, while also building amazing skills in leadership, communication, teamwork, project management, and more.
- Colleges and employers value the 21<sup>st</sup> century skills enabled by DI. Give your child the DI advantage by joining a team!

### DI INFORMATION NIGHT!

- **Join us at 6:30PM on September 13 in the EBS Elementary Multi-Purpose-Room to learn more. (11778 Cypress Canyon Rd)**
- Parents & kids welcome! We will have a fun activity for the kids to try.

### SEE A DI TEAM IN ACTION!

- Click on the link below to watch a short video of a global champion Scripps Ranch team solving a DI challenge!
