After School Enrichment Program

UPSTART BASIC BASKETBALL FUNDAMENTALS is an After School program for girls and boys grades K-8 who want to learn the fundamentals of basketball. Our goal is to provide a fun, safe, and learning environment for all participants. We focus on dribbling, passing, shooting, defense, rebounding, and learning how to play as a team. Participants will develop an understanding of the game as well as good sportsmanship. We also offer discounts for multiple siblings. So come join us and let me improve your skills.
