

We're about to reach the finish line in collecting donations for our Color-a-thon event! You have to Turn in your envelope or be registered online Monday (October 16th) in order to have your prizes at the run. The donations you have raised through Monday October 16th will count towards your PRIZES.

But it's not too late to add donations or register online...do it tonight! Send a reminder email! Remember...all you need is \$30 in donations to get your official ColorBlast Bag and a Color Dye pack. Plus you're officially part of the Color-A-Thon Event! The more money you raise, the more prizes you earn! So give it all you got and get all the donations you can and let's finish up BIG!
