

**Fremont Unified
Student Store**
Make a **FUSS** for Schools

FUSS sponsors the American Mathematics Competitions (AMC) and California Math League (CAML) contests for hundreds of FUSD students for the sixth year

Fremont Unified Student Store (FUSS) is pleased to be able to offer the AMC and CAML contests to FUSD students. FUSS is a 501(c)(3) non-profit organization run by volunteers to raise funds for FUSD. You can find our website at <http://www.fuss4schools.org>.

AMC is offered by the Mathematical Association of America (www.maa.org/math-competitions). They offer some of the most challenging and prestigious math contests for students in grades 6-12.

CAML is part of the Math League (www.mathleague.com). Over 1 million students take part in Math League contests each year. The CAML contests offer challenging math problems for students in grades 4-5.

These contests are open to all students residing in Fremont. The contests will be offered at different times during the year, starting in November. If your student is interested in taking one or more of these contests, please take this survey so we can contact you when the contests are arranged. You must take this survey in order to be notified when to register for each contest.

If you have any questions, please contact **Robert Hou** at rhpix1@yahoo.com.

Net proceeds from all FUSS events go to support FUSD schools and programs. We donated \$500 to every FUSD elementary school in 2017.
