FUN RUN BOOSTERTHON UPDATE!

Thank you to all the Sponsors for Indialantic Students annual fun run. We have such an amazing school with such generous supports. We wanted to let you know that we met our goal of **\$26,000** but we still need to collect all the pledges. Please, if you haven't done it yet, send your pledges as soon as possible.

In **2014** we raised **\$26,000** and it was used for CAMP – we supplied iPads, art supplies, PE equipment and sound system to the music department.

In **2015** we raised **\$24,000** and it was used for the classrooms. We purchased classroom learning materials as well as new TV's and mounts for all the classrooms.

In **2016** we raised **\$26,000** that we invested in our school playgrounds.

This year the funds will go towards providing our school with an LED sign and to sponsor additional certifications for our teachers.

Thank you Indialantic families for making all this possible over the years. Our school is very grateful to each and every one of you.
