# WINTER BREAK CAMPS' DESCRIPTION

- ❖ **GIRLS & DOLLS CAMP** – Calling all doll-loving girls! Challenge Island invites you and your favorite American 18-inch companion to the Girls & Dolls Camp where you and a tribeful of friends will create an entire world for your dolls – decking out houses, designing fun furniture, crafting cool clothes for your dolls to wear, and more. From Julie’s Groovy Day to Kaya’s Adventure to Girl of the Year Day, this camp promises to be one for the American Girl History Books!
- ❖ **MINDCRAFT PARTY CAMP** – This camp turns the digital world of Minecraft into real world, creative fun for kids. Tribes (teams) build their own shelters, tools, crafting tables and more. They tackle creepers, zombies and other mobs, and design their very own mine trains.
- ❖ **SUPER HERO CAMP** – Wham! Bam! Kaboom! Calling all Super Kids Challenge Island’s super heroic STEAM adventure! Tribes (teams) will channel their extraordinary powers into a universe of challenges inspired by Bat Man, Bat Girl, Superman, Wonder Woman and other super heroes.
